ADVISOR’S COVENANT

We the advisors of the NY Conference UCC Youth Event covenant with our youth and each other to provide a safe, nurturing, faith-filled environment and;

- ◆ To provide assist, if needed in Family Groups; to participate in all activities, allowing the youth the ability to participate freely.
- ◆ To allow the youth to develop their own sense of God in their lives.
- ◆ **I will honor the SYE curfew each night; I will be with my own group for Reflections, and make sure my entire group is present.**
- ◆ **I realize that as an adult/chaperone I am responsible for my group 24 hours a day. I am conscious of my role as a model for my group.**
- ◆ Though my first responsibility is to my own group. I will be aware and responsible to the needs of all youth attending the SYE and their actions, exercising this responsibility whenever necessary.
- ◆ As an advisor, I will guide the youth to be true to their covenant and their responsibilities at this event.

While I am at the NY Conference UCC Youth Event I am a representative of my local Church, my Association, the New York Conference, and the entire United Church of Christ. I will keep in mind that my positive leadership skills and modeling are imperative for the success of this Conference Youth Event.
